Explanatory Notes

1. Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had a sanction outcome in the relevant time period divided by the number of verified offences in the same time period.

3. The Sanction Rate may exceed 100% due to there being more verified offences with a sanction outcome than were reported during the same period.

Explanatory Notes

1. Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had a sanction outcome in the relevant time period divided by the number of verified offences in the same time period.

3. The Sanction Rate may exceed 100% due to there being more verified offences with a sanction outcome than were reported during the same period.

Explanatory Notes

1. Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had a sanction outcome in the relevant time period divided by the number of verified offences in the same time period.

3. The Sanction Rate may exceed 100% due to there being more verified offences with a sanction outcome than were reported during the same period.

Explanatory Notes

1. Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had a sanction outcome in the relevant time period divided by the number of verified offences in the same time period.

3. The Sanction Rate may exceed 100% due to there being more verified offences with a sanction outcome than were reported during the same period.
