**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
ABC Foundation Ltd	Mungullah Youth Precinct	ABC Foundation will help improve safety and well-being for young people living in the Mungullah Aboriginal Community in Carnarvon with activities that are inclusive, develop life skills, and foster a greater connection to country and culture. ABC Foundation will identify community role models and activity leaders to work with young people to design and implement an after school youth sports diversion program.	\$25,000
Agunya Ltd	Purpose for Life	Agunya will provide a positive engagement program for recidivist offenders returning to community in Broome. Community-based projects and mentoring will promote the development of life and work skills including wood working, furniture making, totem carvings, restoration of cars and motorbikes, boating, fishing and trips on country for up to six young people at any one time.	\$25,000
All Saints Floreat Uniting Church Creative Living Centre	Cultural Pride Program	All Saints Floreat Uniting Church Creative Living Centre will send volunteers to assist traditional teachers from the three Mowanjum clans in providing a learning program for Aboriginal students aged 9 to 11 years in conjunction with Derby School. The program will involve regular lessons during term time and field trips during holidays to each of the three Lands - Ngarinyin country, Worrorra country and Wunambal country. This program links to a community-wide program to develop pride in culture, forming strong hearts resistant to drugs, crime, sexual pressures of early pubescent years.	\$25,000
Altone Youth Services WA Inc.	Smash the Change	Altone Youth Services WA will implement Smash the Change, a 22 week confidence building, life skills program that aims to attract up to 30 at-risk and marginalised young people aged 11 to 17 years living in Lockridge, Beechboro and surrounding areas. Smash the Change aims to engage young people in positive, healthy body sessions using martial arts and boxing to relieve negative emotions and learn positive means of dealing with anger and aggression.	\$15,850
angelhands.inc	BRAVE Community Program	Angelhands will implement the BRAVE Community Program to support 24 victims of homicide, family and domestic violence, physical and sexual assault, and sexual and emotional abuse. Angelhands will deliver 20 workshops in the Cities of Swan and Bayswater with the aim to prevent re-victimisation by empowering participants to master their mental wellbeing, take control of their behaviour and learn from trauma experiences, build resilience and coping skills and develop a greater understanding of healthy and unhealthy relationships.	\$25,000
angelhands.inc	ENACT Project	Angelhands will implement the ENACT Program in a pre-release setting to support women with experiences of family violence to put into place protective factors against instances of abuse in future relationships. ENACT will be delivered in the context of Angelhands support model, in which multiple programs are delivered in cooperation to provide long-term, flexible, and collaborative support for those in need.	\$25,000
Anglicare WA	Caring Dads Albany	Anglicare WA will engage a trained counsellor to deliver the Caring Dads Albany program to fathers who have been abusive towards their partners and ex-partners. Caring Dads works with fathers to change patterns of abuse and increase child-focused fathering. It aims to break patterns of intergenerational abuse and violence, protecting children so they can become caring, nurturing parents and partners.	\$24,995

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
Big hART	Roebourne Social Harmony Digital Workshops	Big hART will provide a digital workshop stream for young people living in Roebourne, around a theme of social harmony, with individual workshop activities chosen to increase social inclusion and an understanding of what makes a peaceful, welcoming community. The program will involve the delivery of at least 35 workshops and the creation of a minimum of three digital works.	\$20,000
Bloodwood Tree Association Inc.	South Hedland Liquor Restricted Houses – Healthy Living Project	Bloodwood Tree Association will implement a project that will enable valuable local housing, case management, referrals, and a local tenancy support service specific for the residents of Liquor Restricted Premises in South Hedland. Working in partnership with South Hedland Police and Mission Australia - Pilbara, the program will assist in empowering and connecting at-risk families and individuals to the tools and service supports they need.	\$25,000
Blue Beanie Projects Limited	Karratha Young Men’s Program and Support Service	Blue Beanie Projects will deliver a 32 week workshop and mentorship program targeting at-risk male youth in the Karratha area to reduce offending and anti-social behaviour. Weekly group workshops will be held with individual follow-up support and case management provided for those identified to have high or complex needs. The program aims to reconnect participants positively with community, while developing their social and emotional wellbeing and cultural connections.	\$25,000
Broome Community Information Resource Centre and Learning Exchange (CIRCLE)	Deadly Mums	Broome CIRCLE will implement the ‘Deadly Mums’ program. A group of women from Broome’s Aboriginal community, whose children or family are engaged with the youth justice system will be brought together on a weekly basis to share information and stories and provide one another with support based on cultural awareness and safety. The group will contribute to more effective parenting for at-risk young people, while better equipping women to deal with the challenges of parenting in difficult circumstances.	\$16,470
Broome Youth and Families Hub Inc.	Monday Sports Program - Expansion	Broome Youth and Families Hub will continue to deliver Monday Sports Night, a structured sports program to engage at-risk youth in positive, healthy activities thereby minimising street presence and potential anti-social and/or criminal behaviour.	\$25,000
City of Gosnells	Langford Late Night Basketball Activation	The City of Gosnells will implement the Langford Late Night Basketball Activation project at the Langford Community Centre once a week to activate the area with free youth engagement activities centred on basketball, as well as physical and mental health services. This will engage youth at-risk, prolific and priority youth offenders, Aboriginal, and culturally diverse youth.	\$24,442
City of Gosnells	The Nomad Project 2.0	The City of Gosnells will implement the Nomad Project 2.0, a mobile youth centre that will operate within the Gosnells Town Centre to reduce anti-social behaviour by providing targeted youth activities and engagement during the school holidays.	\$19,614
City of Karratha	Karratha Nightfields	The City of Karratha will deliver a football program in collaboration with the WA Football Commission to engage at-risk youth to reduce offending and anti-social behaviour. The program will include weekly skills development, competition and education sessions on topics including drug and alcohol awareness, personal development, good decision making, building self-esteem and development of leadership skills.	\$25,000

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
City of Mandurah	Local Youth Alcohol Campaign	The City of Mandurah will establish a local response to alcohol and drug misuse among young people under the age of 18 years. A local drug and alcohol youth forum will be implemented for at-risk youth in Mandurah which will include community-based alcohol and drug displays, with presentations from organisations and role models. The project will also engage young people in a youth-led video production focussing alcohol and drug related offending in the community.	\$9,180
Community Connecting Youth Inc.	LAG Program (Living Art Garden)	Community Connecting Youth will engage 10 young prolific and priority offenders and youth at-risk in a project to develop, design and install art works at up to three sites within the metropolitan area, predominantly in Bayswater. Resident artist John Cox will support the group to paint 10 artworks/murals depicting Indigenous and ethnic cultural symbols with participants mentored by Nyoongar Elders to increase cultural knowledge and connection.	\$24,590
Community Focus National Limited	Time Out Camps	Community Focus National will provide Time Out Camps to 10 mothers/caregivers and 10 daughters/children in care from Kalumburu who have already had contact with the justice system. Participants will be educated in family violence prevention and warning signs and be provided with positive strategies to interact with their community.	\$11,964
Djarindjin Aboriginal Corporation	Biinmal Liyan	Djarindjin Aboriginal Corporation will provide training and support for the Youth Services, Night Patrol and Safe House teams in regard to positive community engagement of youth that come into contact with these services. The project aims to improve the effectiveness in regard to youth diversion by providing workers with the skillset to be able to engage with youth and implement initiatives from the community to deal with the antisocial behaviour. By giving workers the skills required to positively and actively engage the youth and work with them through referrals and case management it is anticipated there will be a reduction in the negative impacts of the antisocial behaviours.	\$20,000
East Kimberley Job Pathways	Strong Mind Strong Men Project	East Kimberley Job Pathways will implement the Strong Mind Strong Men Project to engage a mentor for young men in Halls Creek. The project will target young men who are involved in the youth justice system, or who are at-risk of offending. The core of the program is a weekly boxing and fitness session, with participants also engaged in a range of education and training in relevant areas.	\$17,400
Esperance Nyungar Aboriginal Corporation	Pallet to Furniture Project	Esperance Nyungar Aboriginal Corporation (ENAC) will partner with existing community service organisations and government agencies to deliver a diversionary and education project for young Aboriginal people presently involved, or likely to become involved, in anti-social and criminal behaviours. Participants will attend supervised activity sessions at ENAC learning how to create functional outdoor furniture from recycled wooden pallets introducing them to furniture design, wood working techniques, power tool operation, and workshop safety. Project supervisors will include local Aboriginal Elders who will also provide passive mentoring and network support to help these youth reconnect with their culture and community.	\$24,500

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
Esperance Tjaltjraak Native Title Aboriginal Corporation	Esperance Tjaltjraak Dance Project	Esperance Tjaltjraak Native Title Aboriginal Corporation (ETNTAC) will engage at-risk Aboriginal youth to participate in Caring for Country Camps and activities based on learning important cultural dances. Each dance is linked to significant site on Esperance Nyungar country which participants will be taken to by Aboriginal Elders and ETNTAC's Aboriginal Ranger team. Participants will learn the story behind each dance and its connection to country. The project is aimed at young people from disadvantaged families in Esperance and provides opportunities to participate in positive activities outside of organised sport.	\$23,160
Garl Garl Walbu Aboriginal Corporation	Derby Boxing Club	Garl Garl Walbu Aboriginal Corporation will engage Derby Boxing Club to deliver an early intervention program to at-risk and currently offending juveniles with local police participation. Young people will learn discipline, health and wellbeing, alcohol and other drug harm minimisation. The boxing group will provide an access point for agencies in health, mental health and wellbeing.	\$22,700
Glass Jar Australia Limited	Count Me In Cultural Rewards Camp	Glass Jar Australia will provide a cultural rewards camp for Aboriginal girls in Carnarvon aged 11-18 years who have maintained a school attendance record of 80 per cent or more, alongside exemplary behaviour throughout the school year. The program aims to minimise street presence and potential anti-social and/or criminal behaviour. The camp will offer netball skills development and provide educational sessions on leadership, team-building and culturally enriching activities as well as life skills and personal development and decision making.	\$25,000
Hope Community Services Ltd.	Koorlungahs Warraginge (Kids Talking)	Hope Community Services will deliver an afterschool club program to engage at-risk Aboriginal and non-Aboriginal primary school age children from the Neerigen Brook Primary School in Armadale. Aboriginal Elders and local police will assist in the delivery of the program with activities including sport and recreation, reading development, food preparation and cultural awareness. The program aims to engage participants, provide positive role models and encourage learning to reduce anti-social behaviour and increase opportunities for personal growth and development.	\$25,000
Ishar Multicultural Women's Health Centre	Domestic Violence Awareness Program	Ishar Multicultural Women's Health Centre will implement an awareness program with a Health Promotion Officer (HPO) visiting multicultural communities, language schools delivering the adult migrant English program, and other culturally and linguistically diverse groups in the Cities of Stirling and Wanneroo to discuss family violence. The project will ensure that members of the community are aware of what family violence looks like, their rights under Australian law and encourage respectful relationships.	\$25,000
Ishar Multicultural Women's Health Centre	Empowering Women 2019	Ishar Multicultural Women's Health Centre will provide women in Mirrabooka who are experiencing or have experienced family violence, with information, education, strategies and skills to address personal family violence incidents.	\$25,000
Jacaranda Community Centre	Supporting Aboriginal Youth for a Better Future	Jacaranda Community Centre will engage an Aboriginal male mentor as a role model to work part time with identified Aboriginal at risk youth. The mentor will support Aboriginal youth who are not engaging with school and are getting into trouble or are associating with people that are getting into trouble. The program will work holistically with the individuals and link them with special programs.	\$25,000

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
Jobs South West	Stepping Forward	Jobs South West will deliver two camps, eight diversionary activities and two family day programs to at-risk youth and their families over a 12 month period. Participants from across the South West region including Bunbury, Busselton and Margaret River, will engage in activities such as hiking, rock climbing, surfing, cooking, camp preparation and bush craft. The program aims to empower youth to gain insight into their core values and accept responsibility for their choices.	\$24,953
Lancelin Healthy Communities Forum	Building Community Safety Through Connected and Resilient Families	Lancelin Healthy Communities Forum will deliver a family violence (FV) awareness campaign and workshops specifically targeting Shire of Gingin residents. As part of a larger staged program to improve general awareness of FV and to highlight services and options available to break the intergenerational cycle of abuse and trauma in the Shire of Gingin.	\$2,590
Lions Club of Armadale Kelmscott Inc.	Cecil Andrews Armadale Police Rangers: Graffiti Removal, Gardening for Elderly and Vulnerable Residents, Youth Training, Life Skills Youth Camps	The Lions Club of Armadale Kelmscott, through the Cecil Andrews Armadale Police Ranges, will implement a project to improve life skills of the Rangers and their connection to local community. The project includes four different initiatives - graffiti removal, gardening for the elderly, training and life skills camps. These initiatives will over time develop the Rangers' communication and interaction skills and provide them with the tools to develop relationships enhancing self-confidence for entering the workforce.	\$25,000
Mangkaja Arts Resource Agency	Remote Community Murals in the Fitzroy Valley	Mangkaja Arts Resource Agency will design and create murals / public art pieces with youth in at least three remote communities within the Fitzroy Valley. The project will engage Aboriginal Elders and youth in the design and creation of murals and will showcase traditional cultural imagery and stories.	\$25,000
Mawarnkarra Health Service	Connection to Country Pilot Program	Mawarnkarra Health Service will run quarterly bush camps, targeting troubled youth and their families in Roebourne. The program aims to bring about a greater sense of connection to culture, country and community and assist in redirecting anti-social behaviour through cultural and life skills education. Six to eight young people and their family members will be identified each quarter to participate in bush camps for three days with the strength of the program being the ongoing work after the camps.	\$19,850
Organisation of African Communities of WA Inc.	Mentor Me Re-Connect	The Organisation of African Communities of WA will implement a series of mentoring sessions and parenting workshops to reduce young African people engaging in crime and to assist them to better integrate into their local community, and develop leadership skills. Activities will be delivered predominantly at the Girrawheen Hub and aim to reconnect young people with their families and encourage and support parents to take ownership of their children's future.	\$25,000
Pakistanis in Australia	A daughter in law is a DAUGHTER first	Pakistanis in Australia will produce two video clips which will be made available through a sponsored social media campaign to raise awareness against family violence. Research shows that mothers-in-law seem to exacerbate or ameliorate emotional abuse by husbands. This project aims to provide mothers-in-law as positive role models speaking against family violence and include links to service providers.	\$3,500

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
Parkerville Children and Youth Care (Inc.)	Targeted Treatment Response for Children and Young People Displaying Inappropriate and Harmful Sexualised Behaviours	Parkerville Children and Youth Care will implement a specialised and targeted treatment response for children and young people aged 6 to 14 years who display inappropriate and harmful sexualised behaviours, in order to reduce these behaviours and linked juvenile sexual offending. This specialist clinical service will provide referred children, young people and their families with education and support to reinstate environmental safety, individual treatment to help children better understand their behaviour, and develop more adaptive ways of relating to others and help create behavioural change within a family.	\$25,000
Pat Thomas House	Kids Against Violence	Pat Thomas House will implement the Kids Against Violence (KAV) program in partnership with Mandurah Primary School which aims to raise awareness and educate on the effects children face from witnessing family violence, bullying or general violence. KAV will offer children a safe environment to understand family violence, acknowledge abuse and to express their thoughts and feelings through talk, play and art. This project seeks to address the cessation and early intervention of the continuation of the cycle of violence.	\$25,000
Paupiyala Tjarutja Aboriginal Corporation	Tjuntjuntjara Night Patrol	Paupiyala Tjarutja Aboriginal Corporation will establish a night patrol in the Tjuntjuntjara Aboriginal community to assist parents and families of children and youth to reduce the incidence of risk-taking behaviours, graffiti and property damage through engagement in positive role modelling and healthy activities.	\$24,694
Peel Community Legal Services	FDV is Everyones Business	Peel Community Legal Services will deliver an awareness campaign on family violence tailored to meet local needs in multiple languages. The campaign will provide staff awareness training to local businesses and community organisations as well as advertising material in physical and electronic media format.	\$21,231
Safe Woman Safe Family Inc.	Safe Mum – Safe Family: Parenting Over Violence	Safe Woman Safe Family will assist women who are struggling with aggressive children and teenagers through the Safe Woman Safe Family Centre in Pinjarra. The Centre will offer a safe and non-judgemental environment to access a coordinated combination of supports, therapies, programs and referrals to address their specific challenges to assist them in achieving greater strength and stability and overcome the negative impacts that family and domestic violence has had on their lives and their parenting capacity.	\$25,000
Shire of Brookton	Brookton Nyoongah Youth Group After School Program	The Shire of Brookton through the Brookton Nyoongah Youth Group will implement an after school program targeting young Aboriginal children. The program aims to address at-risk factors affecting youth, mentoring, education and training including implementing life skills and drug and alcohol education. A structured sports program will also be implemented to engage at-risk youth and reduce crime in Brookton.	\$6,300
Shire of Broome	Late Night Ball – 3 on 3 Program	The Shire of Broome will implement the Late Night Ball (LNB) program, a weekly Friday night basketball crime diversion program accessible to young people aged 11 to 17 years. LNB is a collaborative partnership between Broome Youth and Families Hub, Broome PCYC, Shire of Broome and Nyamba Buru Yawuru. The program aims to engage young people in a positive team sport and provides educational workshops promoting physical and mental wellbeing.	\$10,880

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
Shire of Kellerberrin	Kellerberrin Nyoongar Centre	The Shire of Kellerberrin will continue to manage the Kellerberrin Nyoongar Centre which was established to provide members of the Aboriginal community with an opportunity to attend and participate in activities that are meaningful, interesting and culturally appropriate in a location that is free from aggression, harm and alcohol. Activities include art and music, personal development, social interaction and job skills, and access to specialist services.	\$15,477
Shire of Northam	Night Hoops Youth Engagement	The Shire of Northam will deliver a six week Night Hoops Youth Engagement basketball tournament on Saturday nights including the pick up and drop off young people from Northam and surrounding towns including Wundowie, Bakers Hill and Grass Valley. Each tournament will involve all participants taking part in a compulsory skill development workshop covering topics such as leadership and team building; food preparation; managing finances; healthy relationships and employability skills.	\$19,290
Shire of Quairading	Better Choices for Quairading Youth	The Shire of Quairading will deliver five events throughout 2019 to local young people as part of its Better Choices for Quairading Youth program designed to bring local law enforcement closer to youth and the community and reduce youth offending. Each event targets a different issue; family violence, road safety, graffiti, online safety and cyber bullying and drug awareness.	\$5,981
South Sudan Community Association of Western Australia Inc.	Youth Pro-Active Program	The South Sudan Community Association of WA will implement an initiative to connect with disengaged young people aged 12 to 25 years of South Sudanese and other African backgrounds particularly the Cities of Swan, Stirling and Wanneroo. Youth involvement in all stages of the program will facilitate a connection to culture, sense of belonging and identity, building capacity, confidence and skills. Project activities will include cultural dancing and wrestling, basketball training and tournament and parenting workshops.	\$25,000
St Patrick's Community Support Centre	Imagined Futures Youth Initiative – Boxing Program	St Patrick's Community Support Centre in collaboration with Young Boxing Woman Project will engage Imagined Futures to deliver an eight week non-combat boxing and facilitated workshop program over four terms and five schools in Fremantle, Melville and Cockburn. Workshops topics include resilience building, leadership, mental health and wellbeing, challenging unconscious bias, personal autonomy, being assertive not aggressive and handling difficult choices. The program aims to increase confidence and conflict resolution skills of vulnerable youth to stay engaged at school and reduce anti-social behaviour.	\$25,000
Swan City Youth Service	Friday Night Lights	Swan City Youth Service will implement Friday Nights Lights, a prevention and diversion pilot program for young people aged 12 to 25 years who reside within Midland and surrounds. The program will engage youths on a Friday night with the proposed activities including a variety of fitness and recreational activities, arts and crafts workshops as well as addressing key youth issues such as mental health and alcohol and/or other drugs.	\$24,960

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
The Fathering Project PKH Pty Ltd	The Fathering Project Base Camp	The Fathering Project will implement 'Base Camp', a discrete project to improve the lifestyle choices and futures of at risk children by strengthening the relationships between fathers and their children, addressing the unmet social needs of the parent and child. The project aims to build father/child relationships by conducting two dads and kids camps. Participants will be identified by the school Principals and Police YCIOs. Following the camp will be individual guidance and access to social service referrals will be provided.	\$25,000
The Federation Of Western Australian Police And Community Youth Centres	RoebFit Youth Engagement Program	PCYC Roebourne will deliver a 40 week boxing program to disengaged and at-risk Aboriginal youth to promote positive attitudes towards school, health, fitness and community to reduce offending and anti-social behaviour. The program will have a strict behaviour policy and social contract with participants for standards during and outside of the program including school attendance. The program will teach physical skills as well as personal development to increase participants' wellbeing and resilience.	\$13,607
The Federation Of Western Australian Police And Community Youth Centres	Rockingham PCYC Breakfast Club	PCYC Rockingham will implement the Rockingham PCYC Breakfast Club to be run two days per week over 20 weeks, providing disengaged primary school-aged children with a healthy breakfast before school, then transporting them to schools. In conjunction with schools, the program aims to provide these children with support, sport and recreation, food and school drop off in an effort to increase school attendance and reduce community disturbance.	\$23,617
The Federation Of Western Australian Police And Community Youth Centres	Gosnells PCYC Back-to-School Bike Program	Gosnell's PCYC will deliver the Back-to-School Bike Program targeting police-identified young people who have, or are at significant risk of, engaging in criminal activity. This program is a multi-faceted, partnership-based approach to minimise the risk factors in these young people's lives, and improve their school attendance and personal development.	\$25,000
Wadjak Northside Community Group	Digital Connection	Wadjak Northside Community Group will undertake the Digital Connection Program. The project involves the production of short video clips to be disseminated via social media targeting the signs, precursors and observable behaviours that can indicate the occurrence and risk of family violence. A large portion of the work of the program will be undertaken by the men's group, however, all programs across the centre will participate in the learning and production of the video clips. The program will focus on cultural connection, peer support and actionable messages.	\$24,337
Warburton LDAG	Warburton Safe4Kids	The Warburton Local Drug Action Group will engage Safe4Kids to deliver child abuse prevention education to the Warburton Aboriginal Community. Training includes the whole community with sessions held at the school and additional sessions held for parents and service workers.	\$13,885
Warmun Community Incorporated	Liyan Bananbe ("Good Feeling Path")	Warmun Community will implement the Liyan Bananbe project ("Good Feeling Path") which seeks to reduce youth anti-social behaviour and criminal offending by utilising the strong relationships between Elders, Council Members and young people. Restorative justice meetings will occur in response to incidents where youth and their guardians will be held accountable for their actions, and sanctions will emphasise restoration and holistic support. Youth will be matched with a male or female mentor to commence a program of growth and self-development.	\$25,000

**WESTERN AUSTRALIA POLICE FORCE**

**Community Crime Prevention Fund Successful Applicants 2018 – 2019**

Applicant	Project Title	Project Description	Approved Amount
West Australian Football Commission Inc.	Kimberley NightFields	The West Australian Football Commission will continue to deliver the NightFields program in the Kimberley District to disengaged and at-risk youth, using football as the tool to expose participants to positive role models and direct connection to community service providers. In addition to developing football related skills, the program will deliver coaching, umpiring and first aid skills as well as personal development in leadership, public speaking and creating a sense of community.	\$25,000
Whitelion Youth Agency	DARDY Swan (Diversionary Arts Reducing Disengagement for Youth in Swan)	Whitelion Youth Agency will implement a proactive youth support intervention utilising creative arts mediums, inspiring artists and specialist youth work practitioners to effect positive community change across the City of Swan. DARDY Swan is an after-hours, strengths based initiative delivered across four youth drop-in-centres to promote community cohesion and reduce anti-social behaviour, opportunistic crime and youth disengagement amongst young people aged 12 to 18 years.	\$24,960
Womens Health and Family Services	Building a Community Response to Sexual Violence in Western Australia	Womens Health and Family Services will develop the Building a Community Response to Sexual Violence in WA project to raise awareness in of this growing social/ public health issue. The project will incorporate the participation and involvement of community members in building prevention and response efforts through the development of an Expert Advisory Group, undertaking a listening tour and developing a 10 Point Plan of Action campaign.	\$24,612
Wyndham Youth Aboriginal Corporation	Male Mentor Program	Wyndham Youth Aboriginal Corporation will engage a local Aboriginal male mentor to provide support to young Indigenous males aged 6 to 25 years across the continuum of needs from early intervention via sport and recreational activities and in-school support to one-on-one case management and post-support monitoring. In-school support will include attendance and behaviour plans and development of a Young Fella's Group. Individual case management will link clients with education, job training, mental health and wellbeing services.	\$25,000
Yaandina Community Services	Roebourne L.Y.F.E Program	Yaandina Community Services will implement the Roebourne L.Y.F.E Program centred on leadership with a rewards model. Its aim is to educate and empower children and young people to make better life choices and take up active leadership roles within their immediate surroundings and the wider community. Young people will be nominated by community members, school, committee or young person for outstanding behaviour or performance.	\$22,500
Youth Involvement Council	Cohesive Family Time	The Youth Involvement Council will implement a series of 10 Saturday excursions for children and families with the aim of building respectful supportive relationships within families at-risk and the wider community. Outdoor, constructive team building activities will engage children, their families and youth workers allowing them to spend quality time together.	\$25,000
