

**WESTERN AUSTRALIA
POLICE FORCE**

Supporting Diversity

The Western Australia Police Force is committed to providing inclusive, appropriate and professional service delivery to people of diverse sexuality and/or gender. We recognise that some community members may find it difficult to access police services, so we aim to:

- Understand and respond to the unique needs of LGBTIQ+ individuals
- Build strong, positive community relationships
- Respond appropriately to incidence of crime in the LGBTIQ+ community
- Overcome potential barriers to reporting

If you are a victim of crime it is important to report it to police.

Visit your local station, call 131 444 or report anonymously to Crime Stoppers on 1800 333 000. Staff in our Community Engagement Division can provide advice and support if you need it.

You have the right to access police services and to be treated fairly and with respect. If you are unhappy with the service you receive, you should let us know so that your complaint can be addressed.
